

**neolift**  
lift-up door mechanism

Neolift, the new generation lift-up door solutions enables the spaces to be more elegant and more ergonomic...

- ✦ By means of the soft closing specification, the door can be closed easily and quietly.
- ✦ Due to its gradual opening specification, the door can be fixed at any angle.
- ✦ Neolift's dimensions takes minimum space, expands your storage spaces.
- ✦ Gray and white colour options, offer appropriate solutions for the cabinets.
